- Selected for Otago U18 Water Polo Team
- Dunedin Under 17 Netball team

Team Award

The winner of the 2009 Team of the Year is the Taieri College **Year 8 Tactix Netball Team**.

The Year 8 Tactix Netball team under the direction of Mr Ronnie Gale has achieved a very special feat on the netball courts this year.

They went through the Taieri Plains Junior Netball Competition undefeated and then proceeded to win the Dunedin Netball Centre Section 1 Competition - convincingly winning their final against Balmacewen Intermediate.

A true indication of how well this team performed this year was at the Otago Secondary School Netball Championships - due to the strength of netball at Taieri College we were invited to enter two teams in the Year 9 grade. Playing against all the other schools in the Otago region, the Year 8 Tactix Netball team proceeded to finishing third overall. This was a performance which is a reflection of the high calibre of the students and their coach Mr Gale.

It is at this time we need to acknowledge the efforts and hard work of Mr Gale. Anyone who knows Mr Gale will know that he is just a little bit competitive. He likes to win and always to do the best he can. This is reflected in his coaching and teaching - he wants his students to succeed in everything that they do. He is a taskmaster who sets a high standard for himself and those he works with. More importantly, he is always there to help everyone work towards their goals because he cares so much about his students and athletes.
