

Sports Code of Conduct

Requirements of being a Good Sport

- Play hard but play by the rules.
- Never question the referee and always accept decisions made on the field.
- Recognize positive contributions made by team-mates and opposition.
- If watching a game, or whilst being a reserve, only make positive comments from the sideline.
- If you have any issues regarding opposition players or spectators these should be directed to your coach.
- The school and/or judicial committee of the sport will view foul play very seriously.
- Wear the correct uniform in the appropriate manner during all games (some teams may also have an off the field dress code).
- Taieri College has a proud tradition of fair play and this reputation will continue in the future.

Co-operation with your team-mates

- Be positive towards your team-mates and compliment positive play.
- Commitment to a sport requires you to attend all trainings, meetings and games.
- If a player cannot attend training, they must personally see the coach to excuse themselves from practice.
- If a student is absent from school they should ring the sports office at school to inform them that they will not be at practice.
- Follow the coaches' instructions and be a valuable team member.

Co-operation with your Coach and Manager

- Please remember all coaching is done on a voluntary basis, make your coaches' job as easy as possible by being appreciative and committed to your team.
- If your team is Coached/managed by a parent or outside person show the same respect as you would to your teacher.
- The coach and team rely on your commitment.

Injuries

- Any injury sustained at training or in games, which require medical attention should be reported to the coach.
- Any injury that requires a student to stay in hospital should be reported to the Head of Sport.

School and Sport

- It is a privilege to represent Taieri College in sport at any level. This privilege is earned though working both on the sport field and at school. The actions of a student at school will affect their ability to represent the school on the sports field.

In the rare event of a student not following the above 'Code of Conduct', action including suspension, can be taken by the Coach, Manager, Convenor of the sporting code, the Sports Coordinator, or the Head of Sport.

Please sign the Sport Code of Conduct form and personally deliver to the Sport Office.
