Tairi College musicians performed admirably during the recent Rockquest regional finals held in our Performing Arts Centre. Judged first overall were our Year 10/11 band "Velvet Strings", consisting of Maxwell White, Cameron Stewart, Jayda Smither and Seth Fleming. The People's Choice Award went to Tairi College's "Thursdays in the Library", who were made up of Ashlee Maxwell, Jess Walshe, Tylah Harris, Mia Warman and Hayley O'Connell. Adding to these excellent results "Kundalini", which included Alex Cochrane and Emerald Ottley, despite equipment failure, were also asked to progress into the next round. For all bands it means preparing a video for submission to gain entry to the national Rockquest finals in Auckland. Well done to everybody involved and good luck with the video production!

We had several students enjoy last Thursday in Dunedin as part of the annual Otago Secondary Schools' Sports Association Co-Ed sports tournament. Well done to all participants who played in the variety of sports that were on the programme. Overall Taieri College finished third in the combined competition.

Congratulations to the boys' who were part of the Combined Co-Ed rugby team that earned a meritorious victory over Waitaki Boys' on Saturday 22 June 2019. The win was just reward for the effort they have put in throughout the year. Despite a few setbacks the team has developed well and I hope this win gives them confidence to finish their season strongly.

As of this week, Taieri College has a new website provider. Dunedin company Myth now provide us with our web platform. I invite our college community to explore our new website at taieri.school.nz

Finally, from me a huge thanks to everyone who made our 2019 Formal such an enjoyable occasion. It was obvious to see the effort so many of our students went to in presenting themselves so impressively. Mrs Monique Evans, with the able assistance of our Social Prefects, Samantha Turner and Laura Bungard, did a wonderful job in planning and successfully implementing a great evening.

- General information about 105 which could be utilised in your school newsletter
- Collateral available to educate about when to use 105
- Information about what you need to do if your school has a PABX which may need to be changed to enable 105
- Information about a fantastic competition being run by Vodafone to come up with your own 105 song to win prizes for your school

General information for your school newsletter

NZ Police recently launched a new non emergency number, 105. We've done this to make it easier to get hold of us in the event of non-urgent situations or 'Things which have Already Happened', which don't require Police assistance immediately.

You can call us on 105 for all non emergencies, or you can go online at 105.police.govt.nz to report things like:

- Lost property
- Theft for a public place or car
- Intentional property damage
- Or to get an update or add info to a previous report

In the event of an emergency, always call 111 - Things that are Happening Now.

Collateral

All the collateral (posters, brochures) are available to be printed out from the resources page at 105.police.govt.nz. If you would like to be sent any collateral, please email 105@police.govt.nz

Vodafone Competition - Sing your way to win part of a total prize pool of \$13K

As proud technology partners, Vodafone are helping to spread the word about 105.

Check out the New Zealand Police 105 song, then re-create your own version. Get your colleagues involved. Simply film it, then upload to vodafone.co.nz/105 for the chance to win part of a total prize pool of \$13,000 from Vodafone.

Visit 105.police.govt.nz to hear the song or visit vodafone.co.nz/105 find out more about the competition

Private Phone Systems (PABX)

Though Police has worked with NZ Telcos to enable the 105 number to dial out nationally we realise that many schools have their own private phone systems and for some the 105 number may not dial out. Please check that you can dial out 105 and if you can't, please contact your phone service provider to update your dial plan to allow the 105 number to dial out.
