I understand that a course contribution totaling approximately \$ \_\_\_\_\_ will be required for this course.

Parent or Caregiver Signature: \_\_\_\_\_

# INFORMATION FOR PARENTS OF CURRENT YEAR 8 STUDENTS - 2023 INTENTIONS

**This sheet must be filled in and returned to the Form Teacher no later than Friday 21 October 2022.**

Students not intending to return to Taieri College must also complete the form by ticking the appropriate box and having it signed.

While subject choice at this stage of the year is not binding, the number of classes, and staff allocation, are based on this return, and therefore this should be filled in as accurately as possible. Any changes that are necessary after this intention sheet is returned can be made only with the approval of the Year 9 Dean. Students should bring a signed note requesting the change, and give it to their form teacher to pass on to the Dean.

English, Mathematics, Social Studies, Science, and Physical Education continue to be compulsory full year subjects. One term options in Music, Art, Digital Technology and Māori are also compulsory. Students are required to choose four other one term options with at least one choice coming from Group A (Technology).

A booklet provided to all students contains information on all subjects available. Note that, in general, subjects only operate where there are sufficient students choosing that subject.

Other course booklets are available on our website: <http://www.taieri.school.nz>  
Senior booklets can be found under "Academic/senior-programme-ncea"  
Junior booklets can be found under "Academic/Junior Programme"

To assist students in making option choices we have held special assemblies this week.

## **Subject Course Contributions**

'Course Contribution' is a term which covers subjects in which materials are consumed in the progression of the work. Please calculate the total amount required for the course chosen overleaf and write in the amount in the space over before signing. These are the costs charged this year and may change slightly but will give an indication of the costs of the options chosen.

Mr Jared Peacock (Assistant Principal) is the contact person in the college in the case of hardship. Automatic payments are encouraged as an option.

Regards

**David Hunter**
