Kia ora e te whanau

I enjoyed watching the performances of our senior and junior Kapa Haka groups at the Otago Polyfest that was held during the week in the Edgar Centre. It was clear from both performances that plenty of practice and preparation had gone in beforehand and I congratulate all students who took the stage. I would also like to recognise the tutors, supporters, and whanau who contributed to making the evenings so successful.

Our annual Year 7 and 8 sports exchange with Longford Intermediate from Gore took place on Wednesday in true winter conditions. All games involved a mixture of friendly rivalry and healthy competition and I commend students from both schools for the positive attitude that was displayed during the day. It was pleasing to see that Taieri triumphed in most fixtures and retained the trophy that is awarded to the school with the most wins.

The Who Loves Who Competition is a chance for Year 9 to 13 students to celebrate New Zealand music by recording their own unique and evocative interpretation of a New Zealand song. Two remixed songs from Taieri College made the top 20 in New Zealand which is a stunning achievement. Alex Cochrane’s version of The Exponents, “Victoria” was successful, as was Roshan Dixon and Liam Boyne’s take on the Crowded House hit “Don’t Dream it’s Over.”

Teacher Profile
Mrs Houltham

Mrs Houltham started gymnastics when she was two years old and began to get competitive when she was five or six years old and when she was eight years old, she performed in the Royal New Zealand Ballet.

Mrs Houltham went to high school at Rangi Ruru Girls' School in Christchurch where she played hockey and did gymnastics, but it got to the stage where she had to pick between the two and chose gymnastics. Her favourite part about gymnastics is the movement and “being able to express who she was at a young age and could get rid of lots of energy.” The first time Mrs Houltham represented New Zealand in gymnastics was in 1999 and this was the most memorable moment of wearing the fern for the first time. Over the next couple of years Mrs Houltham competed for New Zealand four times; 1999 in Hawaii, Adelaide in 2000 and in Hawaii, where she got 1st and 2nd in her floor events and in Sydney for preparation for the Olympics. This was her last time competing. Mrs Houltham is no longer involved with gymnastics but enjoys watching and teaching it to children in Physical Education at school. Advice Mrs Houltham would give to young people focusing on gymnastics would be “follow your dreams and put your mind to it”, just like she did of dreaming to wear the silver fern.

Rugby League

Congratulations to the year 7/8 rugby league team for winning the Otago Rugby League Shield for the first time. The season was completed as unbeaten.
Year 7/8 Taieri vs Longford Intermediate Sports Exchange

Altrusa Literacy Grant
This week the Year 7 and 8 group received a very generous $1000 grant from Jill Dodd, the Literacy Convenor of the Taieri Altrusa Club. The grant will be used to purchase new texts for our Paired Reading groups and core classes. We would like to thank Jill and the Altrusa Club very much for their support and contribution to the learning of Year 7 and 8 students here at Taieri College.

Netball Umpires
Congratulations to Renee Pitchers and Holli Hayward who gained their centre badge for netball and recently travelled to Nelson to umpire in the South Island Secondary Schools’ senior netball tournament.
It is with much excitement that I introduce a unique and life-changing opportunity for your child early in 2021. Taieri College is proud to announce the launch of another Leadership and Service Expedition, this time to Nepal! Set for April 2021, this transitional four-week journey will take a group of inspiring Taieri College students on the trip of a lifetime, setting them up for the next chapter as a senior student or as they move on from school life.

The programme will be run by industry specialists, Antipodeans, and we are very much hoping to see a large group of Taieri College students take up this exciting challenge. For four weeks, the students will lead their way around Nepal, partaking in an incredible, sustainable community project whilst working and living with local Nepalese families. They’ll also trek the awe-inspiring Himalayas (surrounded by eight of the top ten highest mountains in the world), have countless adventures in Kathmandu and surrounding towns, and take in all that Nepal has to offer.

Regards,
Kev Knowles & Georgie King

Urgent advice re: Hands On at Otago scholarships
due date – this has been extended to Sunday 29 September
Polyfest

On Tuesday night 10 September our Year 7&8 Kapa Haka (Ngā Taiariari) students performed at the annual Otago Early Childhood and Schools Māori and Pasifika Festival (Polyfest). They performed for the first time in their new uniforms thanks to help from Mosgiel Rotary Club as our students helped with their book sale. A huge thank you to Danya Kerr, Hayley O’Connell and Layla Witehira-Davis for tutoring, along with Toni Crompton, Mr Sutton and Miss Tuhega.

On Wednesday night 11 September our Year 9-13 Kapa Haka (Ngā Piko o te Taiari) performed at the annual Otago Early Childhood and Schools Māori and Pasifika Festival (Polyfest). This year was a huge change as they had new tutors come in from Otago University - Tutawake Dickel-Smith, Shakayla Andrews and Haami Turner. Even though they were a small group this year they have big hearts. Well done to everyone who performed. Thank you to Miss Tuhega for all of her help and support, we really appreciate it.
Young Writers’ Awards
Entries are due Wednesday 25 September 2019
