

**Vision: Taieri students participating and succeeding
in Sport**

Goals:

1. Involve

2. Retain

3. Excel

Goal 1: Involve

Provide sporting opportunities that meet the varied needs of students and wider school community

Objective 1

Grow student participation in sport and physical activity

Objective 2

Involve staff and wider community in the sports program

Strategy 1

Create awareness of opportunities via social media, newsletter, student enrolment packs and staff briefings.

Strategy 2

Develop a recruitment strategy for engaging staff and the wider community

Measure 1

Increase in overall participation numbers each year (students, staff, volunteers) Census data from OSSSA.

Goal 2 Retain

Ensure retention of students in the sports programme in order to develop student's emotional, social and physical well-being.

Objective 1

Create an athlete centred environment

Objective 2

Support and develop staff and community volunteers

Strategy 1

Provide differing levels of participation that promotes fun, fair play and a chance to play with friends; student-lead initiatives, coaching and umpiring

Strategy 2

Recognise and reward staff and community volunteers; vouchers, volunteer apparel, volunteer breakfast

Measure

Percentage increase of participants for each Code

Goal 3 Excel

Striving for excellence in sport will ensure a holistic approach to student development.

Objective 1

Provide holistic development opportunities to talented athletes

Objective 2

Recognise National and Regional representative athletes

Strategy 1

Create a mentoring program for emerging leaders that provides support for academic, time management and physical loading.

Strategy 2

Greater emphasis on celebrating elite athlete successes via social media, assemblies and staff briefing

Measure

Positive feedback from elite athlete and community at end of each year
